

WRITE-IN CANDIDATE

ALEX FOLMER

FOR WASATCH COUNTY COUNCIL

SEAT C

Protecting What Makes This Valley Home

WASATCH BACK CHAMPION

Alex Folmer has called the Wasatch Back home for 15 years. As a longtime advocate for open space, she has worked to safeguard the valley's water, agricultural land, views, and rural character.

Alex will be an independent voice—not for developers, special-interest groups, or organizations that profit from council decisions. Her obligation is only to our Wasatch community.

Protecting What Makes Heber Valley Special

Safeguard limited water resources, agricultural land, views, and rural character.

Responsible Growth and Infrastructure

Growth must pay its own way without shifting costs to existing residents.

Local Rules Not State-Created Development Authorities

Decisions affecting our water, infrastructure, taxes, and housing belong to Wasatch County.
